THE MINISTER OF LABOUR (SHRI P.A. SANGMA): (a) UNICEF in their progress of the Nations Report, 1995 have observed that between 5% and 30% of children under the age of 16 are estimated to fall under the definition of child labour.

According to 1981 Census, 4.26% of children in the country are working children.

(b) National Child Labour Policy, 1987 has three action plans to rehabilitate child labour i.e. (i) a legislative action plan; (ii) focussing of general development programmes for benefiting children wherever possible; and (iii) project-based

actions plan in areas of high concentration of child labour engaged in wage/ quasi-wage employment.

At present, 12 National Child Labour Projects are under implementation in 8 States covering approximately 16,000 children. A major activity undertaken under the National child Labour Projects is establishment of special schools to provide basic needs like non-formal education, vocational training, supplementary nutrition etc., to the children withdrawn from employment. Volunatry agencies are being financially assisted to the extent of 75% for taking up welfare projects for working children under the Grants in-Aid Scheme.

In addition to the above, the National Authority for Elimination of Child Labour has also identified 100 districts which have the highest incidence of child Labour in the country. It has been decided that projects to eliminate child labour in hazardous occupations will be started as per the National Child Labour Project Scheme in these districts. A workshop of these 100 District Collectors is scheduled to take place in New Delhi on 13-14 September, 1995. The concerned Collectors have been requested to prepare project proposals in their respective districts based on the National Child Labour Project Scheme. An allocation of Rs. 34.4 crores has been made for the current year to undertake projects for children withdrawn from work.
